this field...

For Sale : **€ 18,500**

**Description**
Just beyond Vyzakia, in the Nicosia countryside, this field sits among scattered homes and open parcels of land. Village life sets the rhythm here, with the village centre a short drive away and neighbouring Nikitari close by too.

The land lies in a residential zone, so its natural use is a home, with building of up to two floors permitted. One side of the field runs along a road, giving it direct road access.

Picture a house of your own taking shape here, with the countryside around it and the village within easy reach for daily errands. For a weekend outing, the heritage site of Panagia tis Asinou is a drive away. It is a setting where a home could settle into village surroundings rather than a busy town.

The sale is for a 7311/106240 share of the field.

A residential field on the edge of Vyzakia, with direct road access and village life close at hand.
