Description
Set among farmland and undeveloped parcels in the Asgata countryside, this agricultural field covers 6,021 m² of land zoned for farming. It lies outside the village centre in a rural landscape, with Monagroulli and Pentakomo among the neighbouring villages.

A good length of its boundary runs along a registered footpath. The land has no direct road access. Its agricultural zoning suits planting crops or adding the land to an existing farming holding. A sizeable field of farmland in the Limassol countryside.
