For Sale : **€ 17,000**

Description
Set among farmland in the countryside of Orounta, this agricultural field covers 11,037 m², a large stretch of ground for farming or planting. The parcels around it are also agricultural, so the land sits within an area given over to farming, with the villages of Kato Moni and Potami a short drive away.

The land has no direct road access. Its agricultural zoning suits cultivation, or the field could be a practical addition to an existing farm holding. It is a sizeable piece of farmland in the rural surroundings of Orounta.
