For Sale : **€ 16,000**

Description
Just outside Kapileio village, where open parcels of land sit beside a scattering of homes, this field offers a residential setting with the character of village life. The neighbouring villages of Agios Mamas and Limnatis are a short drive away, as are shops for everyday needs. Together they make an authentic alternative to city or resort living.

The field covers 430 m² in a residential zone, with room for a home of up to two floors. Picture a simple, uncomplicated base in a Limassol village, with undeveloped land still around it and the rhythm of rural life close at hand.

The land has no direct road access. The sale is of a 3/4 share of the field.

For anyone drawn to village surroundings, it is a plot in a residential setting with Kapileio close by. Well worth a visit.
