For Sale : **€ 16,000**

Description
Out in the countryside around Nata, a short drive from the village centre, this agricultural field lies among other agricultural and undeveloped parcels. The villages of Choletria and Foinikas are also a short drive away. The land is zoned for agriculture, so it suits farming or planting, and it has a long frontage along a registered footpath.

The sale is for a 1/2 share of the field, and no distribution agreement is in place. It is a straightforward piece of agricultural land in the open country of the Nata area.
