Description
In the countryside around Androlikou village in the Paphos district, this agricultural field lies among other farmland and undeveloped parcels, away from built-up areas. Its agricultural zoning makes it land for farming and planting, or simply land to hold in this rural part of Paphos.

Androlikou and the nearby village of Neo Chorio form the local community. The land has no direct road access. The sale covers a 1/2 share of the field. It is a plain piece of farmland set within an agricultural landscape.
