Description
In the village of Lythrodontas, in the Nicosia district, lies an agricultural field of 2,788 m². Its agricultural zoning points to farming use, with room to plant, cultivate or keep a sizeable piece of village land. The village centre is a short drive away, the neighbouring villages of Kapedes and Mathiatis are within reach by car, and the Nicosia–Limassol motorway serves the wider area. This is a straightforward agricultural field in Lythrodontas.
