Description
Set among forest and open parcels outside the village of Pigenia, this 995 m² agricultural field lies close to the Kato Pyrgos harbour. The ground slopes and the shape is irregular. Its agricultural zoning suits farming or planting. The surrounding area is mostly forest and undeveloped land, with a few scattered homes, and the villages of Mansoura and Mosfili are a short drive away.

The land has no direct road access. It is a compact, sloping piece of agricultural land in the countryside around Pigenia.
