Description
Outside the village of Galataria, in the Paphos district, this field offers 5,017 m² of agricultural land among neighbouring farmland. It has direct road access from a dirt road along one side, and a footpath runs along two of its other borders.

The surrounding parcels are agricultural or undeveloped, so the setting stays rural and open. The village centre is a short drive away, as are the neighbouring villages of Pentalia and Koilineia, and the Limassol - Paphos Motorway serves the wider region. Its agricultural zoning suits farming or planting. A sizeable piece of farmland with its own road frontage.
