Description
Out in the farmland around Kato Lefkara, a short way from the Dipotamos dam, this 5,017 m² field sits among other agricultural and undeveloped parcels. The village centre is a short drive away, and Pano Lefkara and Kato Drys are also close by.

Part of the land lies in an agricultural zone, suited to farming and planting. Another part falls within a protection zone. The field has no direct road access. It is a sizeable, open piece of countryside in the Lefkara area.
