Description
In Agrokipia, everyday life stays close at hand. Restaurants, cafés and schools are all within walking distance of this residential field, so a morning coffee or the school run can happen on foot. The land around it is a mix of farmland and undeveloped parcels, giving the setting a rural, green character.

The field covers 493 m² and lies in a residential zone, which gives room for a home of up to two floors. It has no direct road access.

Beyond the village, the countryside opens up. The nature spot at Klirou and Mitsero Mines Lake are both a short drive away, ready for a weekend walk or a slow afternoon outdoors.

Village life on foot, nature a short drive away, and room for a home of your own in Agrokipia.
