Description
Among farmland and open parcels outside Kato Lefkara, this field of 2,676 m² lies in an agricultural zone and suits farming, planting or holding land in a rural part of Larnaca district. The land around it is made up of other agricultural and undeveloped plots, so the setting is countryside on every side.

The Kato Lefkara village centre is a short drive away, as is the neighbouring village of Pano Lefkara. The field has no direct road access. It is a sizeable agricultural plot in the Kato Lefkara countryside.
