Description
A short drive from the centre of Palaichori Oreinis, two fields come together to make up 2,676 m² of agricultural land. Around them lie undeveloped parcels and a few scattered homes, and the neighbouring village of Palaichori Morfou is also a short drive away.

Zoned for agriculture, the land suits farming or planting. It has no direct road access. These are two uncomplicated fields of countryside land in the Palaichori Oreinis area.
