For Sale : **€ 11,000**

Description
Set among farmland and open parcels outside Astromeritis village, in the Nicosia district, this agricultural field lies in a landscape shaped by farming rather than building. It has frontage on a registered road, giving it direct road access. The Astromeritis–Evrychou motorway and other main roads are easy to reach from the area, and the villages of Potami, Pano Koutrafas and Kato Koutrafas are a short drive away.

The land lies in an agricultural zone and lends itself to farming or planting. The sale is a 1/4 share of the field. It is a plain piece of farmland among neighbouring agricultural parcels.
