Description
Close to the centre of Pano Pyrgos, with the beaches only a short drive away, this residential field offers a simple starting point for village life near the coast.

At 424 m², the land lies in a residential zone and gives room for a home of up to two floors. The neighbourhood around it is a mix of homes and undeveloped parcels, keeping the feel of the village close at hand. There is no direct road access on site.

Imagine a home of your own here: mornings among the village streets, an afternoon by the sea, and evenings back in the familiar rhythm of Pano Pyrgos. The neighbouring village of Kato Pyrgos is also a short drive away, adding a little more life to the area.

It is a modest, no-nonsense parcel of residential land, with the heart of the village and the coast both close by.
