Description
In the countryside outside Kelokedara village, in the Paphos district, this agricultural field covers 6,689 m² of land. Its neighbours are other farmland and undeveloped parcels, so the setting is wholly rural. The agricultural zoning suits farming and planting.

The land has no direct road access. The centre of Kelokedara and the villages of Stavrokonnou and Agios Georgios make up the surrounding area. It is a sizeable parcel of agricultural ground in a farming part of Paphos.
