For Sale : **€ 10,000**

Description
Just outside Pigenia village, among farmland and open, undeveloped parcels, this field has a stream running along one of its borders and the sea not far away. It is a corner of the countryside where the land still sets the pace, and it offers an honest feel of the authentic side of Cyprus.

The land covers 2,342 m² and lies in a residential zone, with room for a home of up to two floors. Picture mornings shaped by the sound of running water and the green of the fields around you, with the village centre and the coastal village of Kato Pyrgos both a short drive away for everyday needs.

The land has no direct road access. The sale is of a 25/96 share of the field.

With a stream at its edge, open countryside all around and the sea close by, it is well worth a visit.
