Just outside the heart of Pigenia, with the sea not
far away...

For Sale : **€ 10,000**

Description
Just outside the heart of Pigenia, with the sea not far away, this residential field sits among farmland and undeveloped parcels, an open rural setting with village life close at hand. The village centre, with its cafés and shops, is a short drive away for everyday needs.

The residential zoning gives the land a clear purpose: room for a home of up to two floors, with the coast and the village both part of daily life. Picture the open land around you, the village a short drive off, and the sea within reach for an afternoon by the water.

The land has no direct road access. The sale is for a 25/96 share of the field.

A residential setting in Pigenia, with the village close by and the sea not far beyond.
