For Sale : **€ 10,000**

Description
Out in the farmland beyond Platanistasa village, this field sits among other agricultural land and open, undeveloped parcels. Its agricultural zoning points to farming and planting, and a registered footpath runs along one of its borders.

The village centre is a short drive away, as are the neighbouring villages of Fterikoudi and Alona. The sale is a 1/2 share of the field. This is a sizeable piece of agricultural ground in the Platanistasa countryside of the Nicosia district.
