Description
Set among farmland and open parcels in Agios Theodoros, in the Larnaca district, this agricultural field covers 2,676 m². Its zoning points to farming use, and the land around it is agricultural and undeveloped, so it sits in a fully rural landscape. The centre of Agios Theodoros is close by, as are the villages of Skarinou and Choirokoitia. The land has no direct road access. A sizeable field of agricultural ground for planting or farming.
