For Sale : **€ 10,000**

Description
The sea is never far from Pano Pyrgos. This field lies a short way inland from the coast, with beaches a short drive away and the neighbouring village of Kato Pyrgos close by for everyday errands.

The land sits in a residential zone, in a residential setting of homes and undeveloped plots. Its zoning allows a home of up to two floors, so you can begin to picture a house here, with village life around you and the shore within easy reach for an afternoon swim.

The land has no direct road access on site. The sale is for a 1/3 share of the field.

A modest piece of Pano Pyrgos, with room for a home and the sea close at hand.
