Description
Two adjoining fields in the countryside of Fikardou form this agricultural holding of 4,349 m². The land sits among other farmland and undeveloped parcels. Its agricultural zoning makes it suited to farming or planting.

One edge of the land borders a registered footpath. The centre of Fikardou village and the village of Gourri are each a short drive away, and main roads are within a drive. Together, the two fields make one continuous, sizeable piece of agricultural ground.
