Description
Just outside Arminou village in the Paphos countryside, this agricultural field of 5,352 m² lies among other undeveloped parcels of land. It has direct road access along a dirt road that runs beside one of its borders.

The agricultural zoning suits farming, planting or holding land in a rural part of the district. The village centre and the neighbouring villages of Filousa Kelokedaron and Mesana are a short drive away, and a main road is within driving distance.

A sizeable, practical field with a long stretch of road frontage on the edge of Arminou.
