Description
Set among farmland and undeveloped parcels outside Agios Dimitrianos, this field covers 4,014 m² of Paphos countryside. One of its boundaries runs along a registered footpath. The village centre is a short drive away, as is neighbouring Psathi.

The land lies within a protection zone. Its surroundings stay low-intensity and rural, shaped by agricultural plots and land that has not been built on, well away from dense development. It is a sizeable parcel of open countryside in the Agios Dimitrianos area.
