Set in open countryside a short drive from the centre of Episkopi village, this agricultural field covers 4,348 m². Neighbouring farmland and undeveloped parcels surround it, keeping the setting rural and well away from dense building. Nata is also a short drive away.

The land lies within a Natura 2000 protection area. It has no direct road access, and its long frontage runs along a registered footpath. It is a sizeable piece of agricultural land in the Episkopi countryside.
