Description
Set among farmland just outside Pentalia village, this agricultural field covers 5,686 m² in the Paphos countryside. The parcels around it are agricultural or undeveloped, so the setting stays rural and open, away from dense building.

Agricultural zoning makes the land suited to farming and planting. The centre of Pentalia and the villages of Galataria and Koilineia all lie a short drive from the area. The land has no direct road access.

It is a sizeable stretch of agricultural ground in open Paphos countryside.
