For Sale : **€ 8,000**

Description
Set among agricultural and undeveloped parcels outside Pigenia, this field lies in a rural landscape in the Nicosia district, away from built-up areas. The village centre is a short drive away, and so is the neighbouring village of Kato Pyrgos.

The land is zoned for agriculture, so it suits farming, planting or simply holding land in the countryside. It has no direct road access. The sale is a 235/336 share of the field. This is a plain piece of farmland in the countryside around Pigenia.
