Description
Just outside Pentalia village in the Paphos district, this agricultural field covers 4,348 m². It lies among other farmland and undeveloped parcels, in open countryside. Its agricultural zoning suits farming or planting, and it can equally be kept simply as a piece of countryside. The neighbouring villages of Nea Pentalia and Agia Marina Kelokedaron are a short drive away.

The field has no direct road access. It is a sizeable, uncomplicated plot of farmland on the edge of Pentalia.
