Description
Just outside Episkopi village in the Paphos district, this 2,676 m² field lies in open country, well away from dense building. Its neighbours are farmland and undeveloped parcels, so the surroundings stay rural and uncluttered. Kallepeia and the village centre are both a short drive away.

The land lies within a Natura 2000 protection area. It has no direct road access. It is a sizeable field set among the farmland that surrounds Episkopi.
