Description
Set among working farmland and open parcels in the Apostolos Loukas quarter of Aradippou, this agricultural field lies within a short drive of Larnaca and the village of Kalo Chorio. Its agricultural zoning makes it suitable for farming or planting. The land around it is given over to agriculture and undeveloped parcels, so the area keeps a rural character. The field has no direct road access.

The sale is for a 1/5 share of the field. It is a piece of agricultural ground in a farmed corner of Aradippou.
