For Sale : **€ 7,250**

Description
Just beyond the edge of Moutoullas village, this residential field sits in a relaxed setting of homes and open parcels of land. The heritage site of Panagia tou Moutoulla is within walking distance, as are the village's restaurants and cafés, so an evening stroll for coffee or dinner can become part of everyday life.

Zoned for residential use, the land offers room for a home of up to three floors. It has direct road access, with road frontage on two sides, which makes the plot straightforward to reach.

Owning land here means having village life close at hand while Troodos National Forest Park lies a short drive away, ready for days spent among the trees and nights back in the calm of the village. The neighbouring village of Kalopanagiotis is also a short drive, which widens the circle of places to explore.

The sale is of a 1/3 share of the field.

A plot on the edge of Moutoullas, with heritage, village cafés and the forest all within easy reach.
