Description
On the edge of Kelokedara village in the Paphos district, this agricultural field covers 2,007 m². Neighbouring parcels are farmland and undeveloped land, so the surroundings stay rural and open. Its agricultural zoning suits farming or planting. The field has no direct road access. Kelokedara's village centre is close by, as are the neighbouring villages of Trachypedoula and Agia Marina Kelokedaron. This is a modest field of agricultural land among the farmland around Kelokedara.
