Description
Set in open countryside between the villages of Pedoulas and Prodromos, this agricultural field lies among other agricultural and undeveloped parcels. The area has little building around it. Pedoulas village centre is a short drive away.

The land is zoned for agriculture, which suits farming or planting. It can also be held as part of a wider rural holding. The sale is a 1/2 share of the field. It is a piece of agricultural ground in a low-intensity countryside setting.
