For Sale : **€ 7,000**

Description
Set among farmland outside Pano Pyrgos in the Nicosia district, this agricultural field has direct road access, with a good length of frontage along a registered road. The neighbouring parcels are agricultural and undeveloped land. The village centre is a short drive away, as are Kato Pyrgos and Pigenia.

The agricultural zoning makes the land suited to farming or planting. The sale is for a 1/2 share of the field. It is a straightforward piece of farmland with its own road frontage.
