Description
Just outside the village of Kalopanagiotis, this agricultural field of 2,007 m² sits among undeveloped parcels of land, with the neighbouring villages of Gerakies and Oikos also nearby. Its agricultural zoning suits farming and planting, giving a plain, workable piece of ground in a rural setting away from built-up areas.

The land has no direct road access.

This is a sizeable agricultural parcel in the countryside around Kalopanagiotis, surrounded by open, undeveloped land.
