For Sale : **€ 6,000**

Description
Just beyond the village of Pano Pyrgos, where village homes sit among open parcels of land, this field offers a foothold in village life with the beaches only a short drive away. It is an authentic alternative to city or resort living, with the sea close enough to become part of everyday life.

The land lies in a residential zone, where a home of up to two floors may be built, and it fronts a road, giving it direct access. Picture a morning in the village, an afternoon by the water and an evening back among the neighbouring homes.

The neighbouring village of Kato Pyrgos is also a short drive away, and Paphos International Airport is about 50 km away for longer journeys. The sale is for a 1/3 share of the field.

A village setting, residential zoning and the beaches within easy reach make Pano Pyrgos a place worth getting to know.
