For Sale : **€ 6,000**

Description
Out in the countryside of Kapedes, this agricultural field lies among other farmed and undeveloped parcels, in a landscape shaped by open land rather than building. Its agricultural zoning suits farming, planting or simply holding land in the area.

The village centre is a short drive away, as are neighbouring Filani and Politiko. The field has no direct road access. The sale is a 1/3 share of the field. It is a plain, uncomplicated piece of agricultural land in the Kapedes countryside.
