Set among farmland and undeveloped parcels in the countrysid...

For Sale : **€ 5,600**

Description
Set among farmland and undeveloped parcels in the countryside outside Malounta, this field lies in an agricultural zone, where farming is the natural use. The village centre is a short drive away, and the neighbouring villages of Agrokipia and Agios Ioannis are a short drive away too. The land has no direct road access. The fields around it are agricultural or undeveloped, so the setting stays rural and open. The sale is for a 1/3 share of the field. It is a piece of agricultural ground in the farming country of the Nicosia district.
