For Sale : **€ 5,000**

Description
A little outside Pigenia, in the Nicosia district, this agricultural field lies among other farmland and undeveloped parcels. A stream runs along one of its borders. Its agricultural zoning suits farming or planting, and both the village centre and Kato Pyrgos are a short drive away.

The land has no direct road access. The sale is for a 25/96 share of the field. It is a plain piece of farmland in a rural setting of fields and open countryside.
