Sinaoros keeps the woodland of Troodos National
Forest Park...

For Sale : **€ 5,000**

Description
Sinaoros keeps the woodland of Troodos National Forest Park within a short drive, with the heritage site of Agios Nikolaos tis Stegis just as close. Here, near the church of Agios Ioannis and among the homes of a residential neighbourhood, lies a small field of 121 m².

The land is in a residential zone, which offers room for a home of up to two floors. It is a modest canvas for a village base, with the neighbouring villages of Kaliana and Galata a short drive away and cafés, restaurants and parks within easy reach for everyday life.

Picture weekends spent close to home, with an outing to the forest park or to the old church of Agios Nikolaos only a short drive from your door.

The field has no direct road access.

A compact piece of village land, with the forest and the heritage of the area close at hand.
