For Sale : **€ 4,000**

**Description**
In the heart of Kalopanagiotis, with restaurants and cafés right beside it, this field sits where village life gathers. Morning coffee, an evening meal and the easy talk of neighbours all happen a few steps away. The green expanse of the Troodos National Forest Park and the calm of the Kalopanagiotis Reservoir are both a short drive off.

The land lies in a residential zone, where a home is its natural use, and up to three floors may be built. It has direct road access along one side. Around it stand homes and a few undeveloped parcels, giving the setting a settled, lived-in feel.

It offers a place within authentic Cypriot village life, close to everything the centre has to offer. The sale is for a 1/24 share of the field.
