Description
Just outside the village of Gerakies lies a field of 1,032 m², zoned for agricultural use and suited to farming or planting. It has direct road access, with frontage along a registered road on one of its borders. The land around it is made up of other farmland and undeveloped parcels, which gives the area an open, rural setting. Kalopanagiotis is a short drive away, as is a petrol station. This is a modest, uncomplicated piece of farmland at the edge of Gerakies.
