Description
Out in the farmland around Malounta, in the Nicosia district, this agricultural field lies among other farmed and undeveloped parcels, a short drive from the village centre and from neighbouring Agrokipia. Its agricultural zoning suits farming or planting, or holding a piece of open rural land away from dense development.

The land has no direct road access. No distribution agreement is in place. The sale is a 1/3 share of the field. It is a plain piece of agricultural ground in the countryside outside Malounta.
