For Sale : **€ 3,200**

Description
Out in the farmland beyond Politiko village, this agricultural field lies among neighbouring farmland and undeveloped parcels, with Tamassos Reservoir not far away. Its agricultural zoning suits farming, planting or simply holding a piece of the Nicosia countryside. The villages of Pera and Kampia are a short drive from the area.

The land has no direct road access. The sale is for a 25/48 share of the field. It is a straightforward piece of agricultural ground in the countryside around Politiko.
