For Sale : **€ 4,000**

Description
Close to the centre of Praitori, this field sits within a residential zone, with authentic Cypriot village life all around it. It is a setting where the café, the church square and familiar faces could become part of everyday routine.

The land has direct road access along one side and also borders a footpath. Its residential zoning gives room for a home of up to two floors. Around it, finished homes stand alongside other undeveloped parcels, giving the area a settled residential feel.

The wider countryside is close by. Arminou Reservoir is a short drive away for open-air afternoons by the water, and the village itself is on your doorstep for daily life.

The sale is for a 1/2 share of the field. It is a chance to picture a family home taking shape close to the heart of a welcoming Paphos village.
