For Sale : **€ 5,500**

Description
Out in the countryside beyond Politiko village, this agricultural field lies among other agricultural and undeveloped parcels, in a landscape shaped by farmland rather than building. Its agricultural zoning points plainly to farming, so it can be planted or kept as open rural land.

The centre of Politiko is a short drive away, and the neighbouring villages of Episkopeio and Pera are within a short drive too. The land has no direct road access. The sale is a 25/48 share of the field. It is a piece of open agricultural ground in the Politiko countryside.
