For Sale : **€ 3,700**

Description
Out in the open countryside beyond Alona village, this field covers 3,011 m². The centre of Alona is a short drive away, and so are the neighbouring villages of Platanistasa and Fterikoudi.

The land has no direct road access. It also lies within a Natura 2000 special protection area for wild birds. The parcels around it are farmland and undeveloped ground, which keeps the setting rural. It is a sizeable field set among the farmland of the Alona countryside.
