Description
Just outside the village of Pano Arodes, in the Paphos district, lies a field of 7,000 m² with direct road access along one of its borders. The land around it is a mix of undeveloped parcels and some residential development. The village centre and the neighbouring villages of Kato Arodes and Kathikas are a short drive away. Main roads are a drive away.

The field sits in a touristic zone that allows tourist use, such as a hotel, as well as a house, on up to two floors. It is a sizeable parcel with road frontage on the edge of the village.
