For Sale : **€ 6,000**

Description
Just outside the village of Trachypedoula in the Paphos district, this agricultural field covers 2,676 m² of open countryside. The land around it is made up of other farmland and undeveloped parcels, so the setting stays rural. Its agricultural zoning suits farming or planting, and the villages of Prastio and Kelokedara lie in the same area.

The field has no direct road access. It is a sizeable piece of farmland, set among neighbouring fields in a landscape shaped by agriculture.
