For Sale : **€ 40,000**

Description
Close to the heart of Pano Panagia, this field puts village life right at hand. A shop, restaurants and cafés sit beside it, so a morning coffee or an evening meal out is only a few steps away, and everyday errands stay simple.

The land lies in a residential zone, with room for a home of up to two floors. It has direct road access along one side. Around it is a mix of homes and plots not yet built on, a neighbourhood still taking shape.

When you want time outdoors, the Kannaviou Reservoir is a short drive away, a natural spot for a walk by the water or a slow afternoon.

The sale is for a 1/2 share of the field. It is a place to picture a future home with the village and its cafés on your doorstep.
